2 **Q. Ms. Williamson – have you reviewed the arguments against**
3 **our testimony offered by Bob Gilroy from Utilities, Inc?**

4 A. You described some of them to me.

5 **Q. What do you say to Mr. Gilroy's argument that hot water**
6 **heaters in the Forty Love neighborhood are responsible for the**

10 water in the toilet tanks!

11 **Q. Do you have any photos of brown water in toilet tanks?**

12 A. I've seen brown water in my toilet tanks and in my neighbors' toilet tanks. I
13 have a picture from the Pattersons. They live at ***. Also, Tina Armour,
14 from 109 Match Point Drive has shown me brown water in her toilet tank.
15 And I've experienced this at my own house.

2 complain.

3 **Q. Was that the first time the neighborhood had experienced**
4 **problems with water?**

5 A. The neighborhood has been experiencing problems with water ever since
6 it was built, according to my neighbors. I've had problems ever since we moved
7 in.

8 **Q. When did you move to the Forty Love neighborhood?**

9 A. 2006

10 **Q. At the August 2009 meeting in the neighborhood with Bob**

13 **affidavits complaining about water, that went to the South**
14 **Carolina Supreme Court?**
